(Stefancik/Brister)

Charles Goodwin - he is trying to make himself aware of this election in order to decide on how to vote on it. He is confused about what percentage of the tax are spent on specialty judges and maintenance of the jail. Also, he has questions about Capital and debt.

Stefancik - 2 million dollars will go to the DA and 3.7 million will go to the Judges. The specialty courts are not included in the tax. The primary reason for this tax was the building of and maintenance on the courthouse. They are planning on allotting \$500,000 to go to the speciality courts, but they can only budget based on the available money. The costs will not stop in March.

Binder - the judges are very important to our state of life. There was only 14 percent turnout at the election. He encourages people to try to understand what needs to be better explained. No matter what the outcome, the public needs to vote.

Council Discussion ensued.

Stefancik - 3. Resolution C.S. No. C-4889 - Resolution giving preliminary approval to the issuance of not to exceed forty-one million dollars (\$41,000,000) of Utilities Revenue Refunding Bonds, in one or more series, of the Parish of St. Tammany, State of Louisiana; making application to the State Bond Commission for approval of said bonds; and providing for other matters in connection therewith. Stefancik - 4. Resolution C.S. No. C-4890 - Resolution advising St. Tammany Parish Boards and Commissions to abide by Policies, Procedures and Guidelines set forward by the St. Tammany Parish Council and the Louisiana Legislative Auditor. (Stefancik)

Jacki Schneider - what is the purpose of this?

Hand - at the last Council meeting, the Council was asked if it could abolish a board. This is the way for a board to know how it is supposed to operate. A completed affidavit needs to be signed by all board members acknowledging receipt of the manual. It also address the legislative auditor's recommendation that if a board has audit issues two years in a row, they will need to get certification from a CPA that they are trying to solve the issues.

Brian Schneider - thinks this resolution is redundant because of the Legislative auditor's procedures.

Council Discussion ensued.
