MINUTES OF THE
ST. TAMMANY PARISH PLANNING COMMISSION MEETING
6:00 P.M. - TUESDAY, MAY 13, 2014
ST. TAMMANY PARISH ADMINISTRATIVE COMPLEX, COUNCIL CHAMBERS

Note: Audio and video tapes of this meeting, produced by Parish employees, are considered part of these minutes. Should any action reflected in these written minutes be in conflict with said tapes, the audio/video tapes shall supercede the written minutes.

CALL TO ORDER

The regular meeting of the St. Tammany Parish Planning Commission was called to order by the Chairman, Dave Doherty.

ROLL CALL

Present: Cazaubon, Lorren, Richard, Willie, Matthews, Davis, Mannella, Drumm, Randolph and Doherty
Absent: Hines
Staff Present: Jeremy Harrison, Leslie DeLatte, Mike Sevante, Ron Keller and Jay Watson

INVOCATION

The Invocation was presented by Mr. Randolph.

PLEDGE OF ALLEGIANCE

The Pledge of Allegiance was presented by Mr. Mannella.

APPROVAL OF THE APRIL 8, 2014 MINUTES

Cauzabon moved to approve, seconded by Lorren. No vote was taken or recorded because then Matthews discussed that the minutes were inconsistent and made a motion to postpone the vote seconded by Drumm; no vote was taken.
A motion was then made by Matthews to withdraw his motion and made a motion to approve as amended and seconded by Randolph to show that Randolph was absent.

Yea: Cazaubon, Lorren, , Richard, Willie, Matthews, Davis, Mannella, Drumm, Randolph and Doherty
Nay: None
Abstain:None
Absent: Hines

RESOLUTION

RESOLUTION PLANNING COMMISSION SERIES NO. _______

TITLE: A RESOLUTION AUTHORIZING SOUTHERN LIGHT, LLC TO ENTER PARISH RIGHT-OF-WAY.

SUB-TITLE: A RESOLUTION GRANTING SOUTHERN LIGHT, LLC; 156 ST. ANTHONY STREET; MOBILE, AL 36603; PERMISSION TO ENTER PARISH RIGHT-OF-WAY, SPECIFICALLY JIM CORE ROAD, FOR THE PURPOSE OF LAYING FIBER OPTIC CABLES.

WARD 2 DISTRICT 3

NOW, THEREFORE, BE IT RESOLVED, by the St. Tammany Parish Planning Commission that it hereby grants permission to the aforementioned petitioner to enter Parish right-of-way for the aforementioned purposes, subject to the following conditions:

1. That the improvements that will be undertaken will be at the sole expense of the petitioner.

2. That the petitioner agrees to accept full responsibility, financial and all other, for the damage and/or relocation of utilities currently located within Parish right-of-way.

3. That the petitioner shall submit plans prepared by a licensed engineer to the Department of Engineering for review and approval. Upon approval of plans and specifications by the Director of Engineering, the petitioner must notify the Department of Engineering prior to the commencement of any activity.

4. That should the petitioner commence work thereon, petitioner by such act acquiesces and acknowledges thereby that he will hold this Parish, its officials, agents, servants, and employees free and harmless from any liability or responsibility whatsoever in connection with the construction of the project. Petitioner will provide copy of Liability Insurance Policy including the naming of the Parish as an insured party. The insurance will remain in effect until the Parish releases the Performance Obligation.

5. That nothing herein shall be construed as a revocation of the dedication of the aforementioned right-of-way.

6. That no maintenance nor financial nor material nor assistance shall be provided by the Parish for the project nor the maintenance thereof, except for the inspection of the plans and specifications by the Department of Engineering to insure the construction complies with Parish specifications.

7. That the petitioner post a Performance Letter of Credit in the amount of $9,700 for a period of six (6) months.

8. That the petitioner and any assignees submit a Hold Harmless Agreement in connection with the construction of the project and utilization of the R.O.W. by (an) individual (s) until the time that the project is satisfactorily completed.
9. That the petitioner submit as-built drawings certifying that the fiber optic cables are constructed in accordance with the approved drawing(s).

10. That the petitioner submit all documentation required within SIX (6) months from date of adoption, additionally petitioner has two (2) years to complete all work on this project, if not completed within two (2) years, approval of this work will be required to reapply for permission.

West - rural residential

TOTAL ACRES IN DEVELOPMENT: 23.224  
NUMBER OF LOTS/PARCELS: 3  
TYPICAL LOT SIZE: Varies

ZONING: A-3 Suburban

REASONS FOR PUBLIC HEARING: At least one parcel is accessing a private drive.

STAFF COMMENTARY:

Department of Development - Planning

The owners are proposing an “after the fact” three parcel minor subdivision due to errors that were made by the original owner of the land who sold the parcels illegally to the current owners. However, that notwithstanding, the proposed minor subdivision will meet all parish code requirements inclusive of the construction of the private drive to parish standards; therefore, the staff has no objections to the proposed minor subdivision request.

OWNER/DEVELOPER: BCS Development, L.L.C.

ENGINEER/SURVEYOR: John Bonneau & Associates, Inc.

SECTION: 11  
TOWNSHIP: 7 South  
RANGE: 10 East  

WARD: 1  
PARISH COUNCIL DISTRICT: 1  

TYPE OF DEVELOPMENT:  
SUBURBAN (Residential lots between 1-5 acres)  
RURAL (Low density residential lots 5 acres or more)  
OTHER (PUD, Multi-family, commercial or industrial)  

GENERAL LOCATION: The property is located on the west side of LA Highway 1077, south of Interstate 12 and southwest of Covington, Louisiana.

SURROUNDING LAND USES:  
North - undeveloped  
South - undeveloped  
East - single family residential  
West - single family residential

TOTAL ACRES IN DEVELOPMENT: 5.63

NUMBER OF LOTS/PARCELS: 4  
TYPICAL LOT SIZE: Varies

ZONING: HC-2 Highway Commercial

REASONS FOR PUBLIC HEARING: Two of the proposed lots are under the required one acre minimum.

STAFF COMMENTARY:

Department of Development - Planning

The owner is proposing to take two tracts within an existing minor subdivision (Tracts A & D) and a 2.95 acre unplatted parcel, and create a total of four tracts (Tracts A1, A2, A3 & E).

Proposed tracts A3 & E do not meet the one acre minimum lot size as required by code and it appears that the owner has enough involved in the proposal to make said lots at least one acre in size. However, it is so noted that the parcels are zoned commercial which would normally permit parcels less than one (1) acre in size if not for having to comply with the minor subdivision code requirements.

The staff does not recommend approval of the proposed minor subdivision request due to tracts A3 and E not meeting code requirements for lot size.
Additionally, a waiver of the regulations is required in order to approve this minor subdivision request relative to the lot size issue. Therefore, a 2/3rds majority vote of the full membership of the commission (8 members) is needed in order to approve pursuant to Section 40-100.0 Waiver of Regulations, of Subdivision Regulatory Ordinance No. 499.

Furthermore, the creation of new internal property lines may cause issues with the owner being able to comply with parish landscape buffer and planting requirements, which in turn may require the owner to file for variances for said requirements to be reviewed by the St. Tammany Parish Board of Adjustment. Therefore, if the commission decides to grant the minor subdivision request, the staff recommends that the survey plat not be recorded for public record unless the variance issues are resolved by said board.

STAFF COMMENTARY:

**Department of Engineering**

1. Periodic inspections have been made by this office during construction and the final inspection was made on 5/29/2014. The inspection disclosed that all concrete roads are constructed, road shoulders are constructed and the roadside ditches need final grading.

2. The following minor uncompleted items existed at the time of the final inspection and will be completed before the plats are signed.

   a. Tabulation of driveway culvert sizes & type of material required is needed on the S/D plat;
   b. Blue reflectors are needed at fire hydrants;
   c. Developer’s engineer needs to certify that the sign posts are in accordance with MUTCD and Federal standards;
d. Typical street x-section is needed on the As-Built drawing and the S/D plat;
e. Delineate the footprint of Phase 1B on the As-Built drawing;
f. All drainage between the rear of the lots and Brewster Road must be directed to the Soap & Tallow Creek, not to Brewster Road roadside ditch as shown on the As-Built drawing;
g. Show a revision date on the As-Built after revisions are made.

3. Should the Planning Commission approve the request for final approval a Warranty Obligation will be required for the infrastructure in the amount of 947 linear feet x $25.00 per linear foot = $23,700 for a period of five (5) years.

4. The staff recommends approval of the proposed final subdivision request subject to the developer complying with all comments and no plats to be signed until all items are satisfactorily completed.

5. Mandatory Developmental Fees are required as follows:

   Road Impact Fee = $1,077 per lot x 17 lots = $18,309
   Drainage Impact Fee = $1,114 per lot x 17 lots = $18,938

   Fees are due before subdivision plats can be signed.

Department of Environmental Services

1. Three copies of the sewer as-built must be resubmitted. The current plan does not show the sewer lines or manholes.

2. Three copies of the water as-built must be submitted as this was missing from the original submittal.

3. A full set of the as-built drawings must be submitted to Tammany Utilities.

4. A negative bacteriological report relative to the construction of the project’s water system has not been issued by the LA DH&H/OPH as required by Section 40-070.0 of the Subdivision Regulatory Ordinance No. 499.

5. The staff recommends approval of the proposed final subdivision request subject to the developer complying with all comments and no plats are to be signed until all items are satisfactorily completed.

1. Periodic inspections have been made by this office during construction and the final inspection was made on 5/29/14. The inspection disclosed that the asphalt roads are constructed, road shoulders are constructed and the roadside ditches are functioning.

2. The following minor uncompleted items existed at the time of the final inspection and will be completed before the plats are signed.

   a. Floppy disks or latest format is needed for the As-Built & S/D plat;
   b. Engineer’s stamp is needed on the As-Built;
   c. Developer’s signature is needed on the S/D plat;
   d. Swales at rear & side of lots are functioning. However, erosion protection is needed to prevent siltation from blocking drainage from offsite.
3. All roadways are existing and are currently under warranty in a previous phase.

4. The staff recommends approval of the proposed final subdivision request subject to the developer complying with all comments and no plats to be signed until all items are satisfactorily completed.

5. Mandatory Developmental Fees are required as follows:

    Road Impact Fee = $1,077 per lot x 5 lots = $5,385
    Drainage Impact Fee = $1,114 per lot x 5 lots = $5,570

Fees are due before subdivision plats can be signed.

Department of Environmental Services

1. A negative bacteriological report relative to the construction of the project’s water system has not been issued by the LA DH&H/OPH as required by Section 40-070.0 of the Subdivision Regulatory Ordinance No. 499.

2. A letter of acceptance and responsibility for the perpetual maintenance and operation of the water and sewer system has not been issued by the utility provider as required.

3. The staff recommends approval of the proposed final subdivision request subject to the developer complying with all comments and no plats are to be signed until all items are satisfactorily completed.

CASE NO.: SD04-08-024F4

SUBDIVISION NAME: Bedico Creek, Phase 4

DEVELOPER: Bedico Creek Preserve, LLC
3520 Holiday Drive, Suite 100
New Orleans, LA 70114

ENGINEER/SURVEYOR: Kelly McHugh & Associates, Inc.

SECTION 6
TOWNSHIP 7 South
RANGE 10 East

WARD: 1
PARISH COUNCIL DISTRICT: 1

TOTAL ACRES IN DEVELOPMENT: 12.19

NUMBER OF LOTS: 29
AVERAGE LOT SIZE: Varies

SEWER AND WATER SYSTEMS: Central

ZONING: P.U.D.

FLOOD ZONE DESIGNATION: A

STAFF COMMENTARY:

Department of Engineering

1. Periodic inspections have been made by this office during construction and the final inspection was made on 5/29/14. The inspection disclosed that all concrete roads are constructed, road shoulders are constructed and the roadside ditches are functioning.

2. The following minor uncompleted items existed at the time of the final inspection and will be completed before the plats are signed.

   a. Need base test results;
   b. Need ditch invert elevation at each property corner;
   c. Need floppy disk or latest format for As-Built & S/D plat;
   d. Need engineer’s stamp on As-Built drawing;
e. Need 9-1-1 addresses on each lot on the S/D plat;
f. Need developer’s signature on S/D plat;
g. Need street name signs;
h. Need traffic signs;
i. Developer’s engineer needs to certify that signage & posts conform to MUTCD standards;
j. Typical street x-section shows 4” asphalt when the roadways are concrete. Revise the As-Built drawing and the S/D plat to show what was built.

3. Should the Planning Commission approve the request for final approval a Warranty Obligation will be required for the infrastructure in the amount of 2060 linear feet x $25.00 per linear foot = $51,500 for a period of five (5) years.

4. The staff recommends approval of the proposed final subdivision request subject to the developer complying with all comments and no plats to be signed until all items are satisfactorily completed.

5. No mandatory development fees are required since a public hearing was held prior to January 1, 2005.

**Department of Environmental Services**

1. Provide Tammany Utilities with a complete set of as-built drawings

2. A negative bacteriological report relative to the construction of the project’s water system has not been issued by the LA DH&H/OPH as required by Section 40-070.0 of the Subdivision Regulatory Ordinance No. 499.

3. A letter of acceptance and responsibility for the perpetual maintenance and operation of the water and sewer system has not been issued by the utility provider as required.

4. The staff recommends approval of the proposed final subdivision request subject to the developer complying with all comments and no plats are to be signed until all items are satisfactorily completed.

2555 Severn Ave.
Metairie, LA 70002

ENGINEER/SURVEYOR: Scalfano Engineering, Inc.

SECTION 10, 15 & 48
TOWNSHIP 7 South
RANGE 11 East
WARD: 3
PARISH COUNCIL DISTRICT: 5

TOTAL ACRES IN DEVELOPMENT: 25.88

NUMBER OF LOTS: 8
AVERAGE LOT SIZE: 2.23 Acres

SEWER AND WATER SYSTEMS: Central

ZONING: PBC-1 & HC-3

FLOOD ZONE DESIGNATION: C

STAFF COMMENTARY:

Department of Engineering

1. Periodic inspections have been made by this office during construction and the final inspection was made on 5/29/14. The inspection disclosed that all concrete roads are constructed, road shoulders are constructed, roadside ditches are functioning and the detention ponds are functioning.

2. The following minor uncompleted items existed at the time of the final inspection and will be completed before the plats are signed:

a. Tentative approval of Northpark S/D, Phase IV was granted April 10, 2012 with a total of fourteen (14) lots. However, on July 10, 2012 Preliminary approval was granted with a total of eight (8) lots. Therefore, this phase must be labeled Phase IV-A on all drawings and subdivision plat to be recorded;
b. 9-1-1 addresses are needed on the S/D plat;
c. Developer’s signature is needed on S/D plat;
d. Blue reflectors are needed at all fire hydrants;
e. Developer’s engineer needs to certify that all signage and posts conforms to MUTCD standards.

3. Should the Planning Commission approve the request for final approval a Warranty Obligation will be required for the infrastructure in the amount of 5237 linear feet x $25.00 per linear foot = $131,000 for a period of five (5) years. This includes the OFF-SITE portion of Village Lane West.

4. The staff recommends approval of the proposed final subdivision request subject to the developer complying with all comments and no plats to be signed until all items are satisfactorily completed.

5. Since the developer has no “end users”, the mandatory developmental fees are not due prior to signing the subdivision plat, but are due upon building permit application.

**Department of Environmental Services**

1. A negative bacteriological report relative to the construction of the project’s water system has not been issued by the LA DH&H/OPH as required by Section 40-070.0 of the Subdivision Regulatory Ordinance No. 499.

2. A letter of acceptance and responsibility for the perpetual maintenance and operation of the water and sewer system has not been issued by the utility provider as required.

3. The staff recommends approval of the proposed final subdivision request subject to the developer complying with all comments and no plats are to be signed until all items are satisfactorily completed.
