

ST. TAMMANY PARISH

MICHAEL B. COOPER
PARISH PRESIDENT

To: Builders

From: Kenny Wortmann, Director of Inspections & Enforcement, CBO, CFM

RE: Procedural Changes for January 1, 2021

Date: October 1, 2020

Please be advised of the following changes to our inspection and permitting process.

- All single-family homes, doubles, town homes, additions (500+) and accessory (1000+) will be required to submit a site-specific wind design stamped by a Louisiana licensed design professional.
- All pile supported homes and structures will be required to turn in a pile affidavit from the pile contractor.
- New homes and additions will be required to have an insulation inspection prior to the installation of the sheetrock or wallboard.
 - Exception; spray foam insulation.
 - Exception; Blower door test.

Please do not hesitate to call with any questions at 985-898-5214 or email kwortmann@stpgov.org
