

Doing Business with St Tammany Parish

Doing business with St Tammany Parish Government is easy. Just follow these simple instructions and become a Partner to St Tammany Parish.

- A) Complete the Supplier/Service Provider Packet or the Statement of Qualifications Packet – this information will assist us in the placement of your organization into the appropriate vendor/supplier or professional service category which will allow for a more precise selection of a particular supplier or service provider when needed**
- B) Provide an insurance certificate with acceptable levels of liability coverage – not specifically required if your relationship is to be primarily the sales of goods. Any time services are to be performed, the Parish’s insurance prescription will be adhered**
- C) Return the completed packet to the Purchasing Office - our Purchasing Office will continually publish an up-to-date listing of vendors wishing to do business with St Tammany Parish Government. The various agencies, departments and offices will review this listing of vendors when seeking specific materials, supplies and or services.**
