

Home Demolition Update

St. Tammany Parish Government has requested the assistance of the Federal Government (FEMA) in demolishing structures that have been damaged by Hurricane Katrina. The structures listed below have been damaged by the storm to the extent that it creates an immediate threat to public health and safety and/or other improved property and should be demolished.

CDM WO	FEMA WO	Address	Street Name	Street Type	City	Zone	First Name	Last Name
1567	TP7263	2305	Eight	St	Slidell	48-I	Howard	Faciene

The determination regarding the structural integrity of these buildings are based on an independent review and assessment and in accordance to the St. Tammany Parish Code of Ordinances, Chapter 14, Article 3, regarding "Blighted property and derelict and dangerous buildings or other structures" and applicable law.

This list will be updated as more homes are approved for demolition.
