

Home Demolition Update

St. Tammany Parish Government has requested the assistance of the Federal Government (FEMA) in demolishing structures that have been damaged by Hurricane Katrina. The structures listed below have been damaged by the storm to the extent that it creates an immediate threat to public health and safety and/or other improved property and should be demolished.

CDM WO	FEMA WO	Site Address	Site Street	Street Type	City	Zone
1569	TP7307	222	Lafitte	Street	Mandeville	37-Q
1568	TP2834	Lot 156 & Lot 157	Pine Villa	Subdivision	Slidell	51-L
1560	TP1951	4621	Pontchartrain	Drive	Slidell	51-I

The determination regarding the structural integrity of these buildings are based on an independent review and assessment and in accordance to the St. Tammany Parish Code of Ordinances, Chapter 14, Article 3, regarding "Blighted property and derelict and dangerous buildings or other structures" and applicable law.

This list will be updated as more homes are approved for demolition.
